CAVALRY VALUES

WIN WITH INTEGRITY

We're obsessed with winning, but only the right way. Every proposal we create is factually accurate, legally compliant, and built on reliable data.

EXPERT VALUE, NOT ORDER-TAKERS

We bring strategic thinking and expertise to every engagement, going beyond task execution to identify problems, ask the right questions, and offer solutions that make a difference.

RADICALLY TRANSPARENT

We practice complete honesty in every interaction, from project conversations to billing practices.

EFFICIENT BY DESIGN

We deliver the highest quality work through streamlined processes that eliminate waste and focus energy where it matters most.

ORIGINALITY, ALWAYS

Every proposal deserves custom strategy and original thinking that reflects the unique story we're telling.

WE CREATE SUCCESS TOGETHER

We believe in empowering our clients and our team to take ownership of outcomes and grow through every engagement.

WHY CAVALRY

Cavalry is comprised of experts in every facet of proposal development. Our team includes capture strategists; proposal managers, writers, and coordinators; marketers; graphic designers; legal professionals; and compliance specialists. They're not just technically proficient; they're also the best creative writers in the industry, ensuring your proposal narratives are both compelling and compliant.

Cavalry Consulting is an ideal partner for firms with limited staff, and a wise choice for businesses that require overflow support during peak bidding seasons. Whether it's a brochure, a proposal, a website, or strategic planning, Cavalry has got you covered, from start to finish.
